Job Description &
Person Specification
for the Position of

Teacher of Science (Physics)

Job Description

Job Purpose

The Teacher of Science (Physics Specialist) will be responsible for teaching Science from Grade 4 (Year 5) to Grade 7 (Year 8) and Physics from Grade 8 onwards as well as contributing to an extensive extra-curricular programme. The Teacher of Science (Physics) will be responsible for ensuring all students make excellent progress and find learning Science and Physics enjoyable and challenging. The Teacher of Science (Physics) may be required to teach Mathematics.

Key Responsibilities

School Values and Ethos

- Actively promote our unique vision through enthusiastic participation in all areas of school life.
- Always set high expectations, which inspire, motivate and support colleagues.
- Ensure that you comply with any rules, policies and procedures implemented by the school.
- To ensure that you model the speaking of English when in the presence of students and in public areas of the school.
- To respect and support Omani culture.

Safeguarding Responsibilities

- To comply with all safeguarding policies and procedures and ensure that any safeguarding concerns are reported in line with policy.
- To demonstrate a personal commitment to safeguarding and wellbeing.
- To engage fully in all safeguarding training as required.

Curriculum

- To teach a broad, balanced and relevant curriculum and contribute to the preparation and writing of Schemes of Work, teaching materials, teaching programmes, methods of teaching and assessment.
- To facilitate and encourage high quality learning which provides children with the opportunity to achieve their full potential.
- To deliver well-planned, engaging and creative lessons, ensuring that the needs of all children are met.
- To differentiate appropriately, using approaches that enable every child to access the learning and make excellent progress.
- To demonstrate excellent subject knowledge in all relevant areas.

- To set students challenging learning and developmental goals, and to draw upon varied strategies, resources and technologies to support students in achieving these goals.
- To follow school procedures for assessing, recording and reporting on children's achievements and to use this information effectively to convey progress in report writing and record keeping.
- To provide students with regular written and oral feedback and encourage them to reflect and respond to their feedback.
- To participate fully in the school's co-curricular and school activities programme.

Management

- To follow and implement school policies and procedures in and out of the classroom.
- To provide a safe, purposeful and well-managed learning environment.
- To make effective use of teaching assistants to support children in their learning.
- To value the home-school partnership, working closely with other members of staff to establish and manage good relationships with parents.

Professional Standards

- To attend assemblies, departmental meetings, parents' evenings, school functions and other staff meetings.
- To attend professional development and staff training opportunities.
- To recognise the importance of being an exemplary role model to all children within the school.
- To maintain high standards of professional behaviour in accordance with the school ethos, including timekeeping and personal presentation.
- To take personal responsibility for evaluating and reflecting upon your teaching in order to continually develop and improve your practice.
- To always maintain professional and productive relationships with colleagues.

Other

- To fulfil any reasonable additional responsibilities as requested by the Principal.
